33 ...	... ...	4 ...	Shimshapura.

II SCRAP TYRES.—170-Nos. Available at the Central Stores. C.P.S., Bangalore.

The materials will be available for inspection at our several stores mentioned above on all working days except Sundays and other authorised holidays, commencing from the 14th of December 1953. The tenderers should quote their rates ex-our departmental stores at the places mentioned above. The rate should be indicated both in figures as well as in words and should be per each barrel and per each scrap tyre. The material should be taken delivery of in "as is where is" basis and selection will on no account be permitted.

The quantity noted above is not guaranteed and the Chief Electrical Engineer does not bind himself to accept the highest or any other tender but reserves to himself the right to accept or reject any tender at his discretion. In all matters of dispute, the decision of the Chief Electrical Engineer will be final and binding on the party.

The tenderers are also informed that tenders of private parties will be considered only after giving due consideration to the requirements of Government Departments.

No reduction of rate for whatever causes will be allowed when once the quotation is accepted. Payment in full will have to be made by the successful tenderer before the material is removed from the stores. The materials will have to be taken delivery of within a fortnight from the date of acceptance of the tender, the purchaser making his own arrangements to remove the same.

In the event of failure on the part of the successful tenderer to comply with the above conditions, the materials
